Empathy Map:

The **AI Powered Debt Relief & Financial Recovery Platform** helps borrowers manage their debts effectively by providing AI-powered financial analysis, personalized settlement strategies, debt tracking, budgeting support, and an intelligent chatbot for financial guidance. The platform reduces financial stress and empowers users to make informed decisions toward becoming debt-free.

SAYS

- I am struggling to manage multiple loans.
- I need a simple way to reduce my debt.
- I want trustworthy financial advice.
- I don't know how to negotiate with lenders.
- I want to improve my financial situation.

THINKS

- Will I ever become debt-free?
- Can AI provide reliable financial guidance?
- How can I reduce my monthly EMI burden?
- I need a personalized repayment strategy.
- I want to avoid financial stress in the future.

DOES

- Tracks loan balances and EMI payments.
- Uploads financial details to the platform.
- Uses the AI chatbot to ask financial questions.
- Reviews AI-generated debt settlement recommendations.
- Monitors spending and repayment progress through the dashboard.

FEELS

- Stressed due to increasing debt.
- Worried about missing loan payments.
- Confused by different repayment options.
- Hopeful after receiving AI-based financial recommendations.
- More confident when following a personalized recovery plan.
